

NEHA Staff Profiles

As part of tradition, the National Environmental Health Association (NEHA) features new staff members in the Journal around the time of their 1-year anniversary. These profiles give you an opportunity to get to know the NEHA staff better and to learn more about the great programs and activities going on in your association. This month we are pleased to introduce you to two NEHA staff members. Contact information for all NEHA staff can be found on pages 38 and 39.

Steven Dourdis

Hello to all NEHA members and thank you so much for all that you do for the environmental health profession. I started at NEHA in January 2021 as the human resources business partner. I have found that the best job motivation is commitment to an organization's mission, goals, and impact. When I saw the opportunity to work at NEHA, I was excited to join the team.
